You may check out up to 3 titles at one time with your library card.

The standard lending period is 14 days. You can return an item early via the **My Stuff** section.

If a title is checked out, you can place a hold; you will be notified by email when your item is ready and you will have three days to download it before it is released to the next patron who has a hold on it.

### eAudiobooks

There is also a selection of audiobooks on the Magic Wall. These are titles available for listening. You can check out audiobooks on any computer, but you must listen to them via the Axis 360 app on a mobile device.
